

### 6" 20MSW/ 70FSW 3D Pressure Gauge

**Description:**

High accuracy, precision quality and custom tailored dial readings. Available in dual FSW and MSW scale.

**Features:**

- 6" Pressure Gauge
- 70ft / 20msw
- 1/4 NPT male 316 st/st
- Front Flange
- Back Fitting
- Yellow ABS plastic case
- Mirror Band
- Suitable for oxygen environment

**Order Detail:**

3D Gauge, Pressure, G 6", 70ft/20msw, Accuracy 0.25% of Span	D-G-220
--	---------

### 6" 100MSW/ 350FSW 3D Pressure Gauge

**Description:**

High accuracy, precision quality and custom tailored dial readings. Available in readings of PSI, FSW, FFW (feet of freshwater), Bar, MSW, ISO and Metric Scales, as well as other scales and combination readings in dual scale.

**Features:**

- 6" Pressure Gauge
- 350ft / 100msw,
- 1/4 NPT male 316 st/st
- Front Flange
- Back Fitting
- Yellow ABS plastic case
- Mirror Band
- Suitable for oxygen environment

**Order Detail:**

3D Gauge, Pressure, G 6", 350ft/100msw, Accuracy 0.25% of Span	D-G-221
--	---------

### 6" 360MSW/ 1200FSW 3D Pressure Gauge

**Description:**

High accuracy, precision quality and custom tailored dial readings. Available in readings of PSI, FSW, FFW (feet of freshwater), Bar, MSW, ISO and Metric Scales, as well as other scales and combination readings in dual scale.

**Specification:**

- 6" Pressure Gauge
- 1200ft / 360msw
- 1/4 NPT male 316 st/st
- Front Flange
- Back Fitting
- Yellow ABS plastic case
- Mirror Band
- Suitable for oxygen environment

**Order Detail:**

3D Gauge, Pressure, G 6" 1200ft/360msw, Accuracy 0.25% of Span	D-G-222
